BASKETBALL GAME*
SATURDAY EVENING

CLIPPERS AND INVINCIBLES TO MEET IN TRYOUT, WITH GIRLS' PRELIMINARY

Saturday evening the Clippers and the Invincibles which are considered the two best teams in the city, will compete for the local championship at the Airdome. That this will be a very interesting contest is a foregone conclusion as the teams are very well matched. Some new material has been added to make their debut to a Tonopah audience and show whatever "class" they possess in the way of dropping the ball into the net.

A team will be picked from these two teams to represent Tonopah for the rest of the season. All basketball fans are especially requested to be present to root for Harold Stotesbury who is going to do the "Come Back Act" and show his friends that he is still able to perambulate around the floor at his old speed and form. A glance at the line-up will assure everybody of a good, fast contest.

Clippers: W. Cuddy, R. F. J. Reynolds, L. F. W. Bowler, R. Cross, C. J. Butler, J. O'Connell, R. G. J. Smith, H. Stotesbury, L. F. A. Gilbert

A preliminary game between two of the girls' teams from the high school will also be one of the chief attractions of the evening and both teams have been practising hard for their first appearance before the public this season.

LANDER AND NYE
STOCKMEN MEET

The annual meeting of the Lander and Nye County Stock Men's association was held last Saturday at the court house in Austin. Only routine business was transacted, being reports of officers and the election of new officers for the coming year. Officers elected were the same as at present: A. Dory, president; Wm. Easton, secretary and treasurer; J. J. Malloy, hide inspector, says the Revelle.

Those present were: A. Dory, John Wholley, Joe Walsh, Frank Berndt, Frank Gendron, Wm. Easton, John Walsh, Patrick Walsh and William Streshley.

FRIENDS RALLY TO
DEFENSE OF BOOTH

UNANIMITY OF OPINION AS TO THE JUSTNESS OF HIS CAUSE

The following editorial, from the Elko Free Press, is a sample of the feeling that prevails throughout the state, relative to the recent arrest of the editor and manager of the Bonanza on the charge of criminal libel:

There isn't a newspaper man in the state today but who knows Bill Booth, the editor of the Tonopah Bonanza. Bill is big in every way—and he would rather fight than eat. He's the sort of a man who will fight you to a standstill, then take you out and buy you a drink whether he won or lost. And it's a pleasure to pick up the Bonanza and turn to the editorial page, and get the opinion of a man who is not afraid of the corporations, one who is above selling himself for a few dollars. Some time ago he took occasion to call the attention of his readers to the fact that the county commissioners of that place were spending the tax payers' money in a way that didn't appeal to him and he made such an effective campaign against them that they were forced to bring suit against him in order to make a showing for themselves. The county

officials, instead of paying the expenses of a suit themselves, brought it in the name of the county and consequently laid themselves open for further criticism. Booth is giving them some hot shot, the following appearing in his Saturday's issue:

"To reiterate—the Bonanza is still a man and not a mouse, and the taxpayers of Nye will realize later, if they don't at present, that the expense which they have been put to and will be put to through the persecution and prosecution of the editor and manager of the Bonanza was all because of his efforts to protect their interests and save them from further maladministration of public affairs and the throwing of their money to the birds. The editor and manager of the Bonanza is the goat at present, but that has been his place so long that he has developed a pair of curling horns and a frontal bone that is like adamant. He is better able to butt today than ever before, but all he desires is that the public know that he is battering away for the rights and privileges and benefits of the taxpayers."

RECORD YEAR FOR NEVADA

Judging by the closing days of 1915, Nevada promises during 1916 to make a record in the production of minerals and there is the indication that it will lead every state in the union in its output of gold, silver and platinum, to say nothing of lead and antimony.

Coffee

The essence of coffee is hidden in the bean. You can't see it.

For Schilling's Best we select the beans with the most good flavor; clean them, blend them, roast them just right, grind them into even particles and take-out the bitterish chaff. Then we pack the coffee into airtight tins.

Sounds easy, doesn't it? It has taken many years to do it right!
